PROFESSIONAL DESCRIPTION

ISOTHERMAL TRAY for SINGLE MEAL TRANSPORT at DIFFERENTIATED TEMPERATURE, designed for MELANIN PLATES :

- **Equipped with four seats for housing melamine plates** and a **seat dedicated to housing meal accessories** (cutlery, drinks, bread, fruit, etc.);
- **It allows you to transport four courses at different temperatures** (hot and fresh), thanks to the reduced heat exchange between the tray seats;
- **EURONORM dimensions** , compatible with any standard transport trolley;
- **It ensures correct thermal maintenance** , limiting the risks of bacterial proliferation and preserving the quality of foods and their organoleptic properties;
- **High thermal insulation coefficient** , it can keep hot or cold food already portioned in optimal conditions for up to 30 minutes;
- **Practical to use** : the base can serve as a support for eating the meal;
- Manufacturing material: **Polypropylene** internal and external walls of the base and lid; suitable for contact - **Polyurethane** insulating material between the walls of the base and the lid; free of food-grade CFCs and HCFCs;
- Monobloc structure, without edges, joints and welds;
- **Perfectly overlapping base and lid** guarantee excellent thermal stability;
- **Easily stackable** , to optimize the storage surface;
- Convenient to prepare, both on the belt and on a fixed shelf;
- The isothermal characteristics satisfy the criteria of current legislation (EC Reg. 852/2004 -HACCP-) and of the applicable technical standards (Accord AFNOR AC D40-007);
- Can be set up both on a preparation belt and on a fixed shelf;
- **Produced with blow molding technology** : monobloc base and lid (free of edges, joints and welds);
- **Easy washing and sanitizing even in an industrial dishwasher** .
- Completely recyclable at the end of its operational life;
- Make sure the food is portioned at the correct temperature (75/85°C);
- **Available in 3 colors** : **Blue, Green, Orange** .

Accessories/Options :
- Stainless steel locking kit
- Interlocking card holder
- Stainless steel tray trolleys with 12 and 24 places, for easy handling.
- Melamine plate, diameter 210 mm
- Insertion lid, diameter 210 mm
- Bolus, diameter 150 mm
- Sealed lid, diameter 150 mm
- Bolus, diameter 130 mm
- Sealed lid, diameter 130 mm
- Bolus, diameter 105 mm

AVAILABLE MODELS		

MM-TS540104

Isothermal tray for dishes in melamine, differentiated temperature, Blue color
Isothermal tray for transporting single meals at different temperatures, 4 compartments for housing plates in melanin, blue color, weight 3 Kg, dim.mm.530x370x105h

€ 120,94
VAT escluded
Shipping to be calculed

Delivery from 4 to 9 days

MM-TS540101

Isothermal tray for melamine dishes, differentiated temperature, Orange colour
Isothermal tray for transporting single meals at differentiated temperatures, 4 compartments for housing melanin plates, orange colour, weight 3 Kg, dim.mm.530x370x105h

€ 120,94
VAT escluded
Shipping to be calculed

Delivery from 4 to 9 days

MM-TS540105

Isothermal tray for melamine dishes, differentiated temperature, green colour
Isothermal tray for transporting single meals at differentiated temperatures, 4 compartments for housing melanin plates, green colour, weight 3 Kg, dim.mm.530x370x105h

€ 120,94
VAT escluded
Shipping to be calculed

Delivery from 4 to 9 days
