Ecopelle rossa

COLORE LUCE

LED bianco naturale

PROFESSIONAL DESCRIPTION

QUADRO WINE REFRIGERATED DISPLAY, with 5 BOTTLES and 2 GLASSES, Temp. +12°/+18°C :

- **Design and technology come together** to create the first refrigerated panel ever made in the world. **An absolutely innovative object , with a refined design, capable of making every environment in which it is inserted special ;**
- The **Wine Framework n. 52 is an air-conditioned display for 5 bottles and two glasses** , a new way of displaying, storing and serving wine. Opening a painting, taking a bottle of wine and serving it at a temperature of 16°C is an absolutely new action that we would never have thought possible;
- **The internal temperature varies from +12° to +18 °C** depending on the ambient temperature;
- It allows you to store and serve different wines at the right temperature;
- **Refrigeration is obtained through a silent ventilated thermoelectric system controlled by an electronic thermoregulator** through which it is possible to set and display the temperature;
- **Ecological refrigeration system** free of polluting gases and built with recyclable materials;
- Replacing the components is simple and always makes repairing the product convenient;
- The **minimum depth and wall installation** allow it to be inserted even in very small spaces;
- It is a **special piece of furniture** which, **placed in the kitchen or living room** , rather than in the **hall of a restaurant or hotel** , cannot go unnoticed;

TECHNICAL FEATURES

- Metal structure
- Aluminum door structure
- Wooden / hpl / MDF frame
- 20 mm double glazing
- Magnetic seal
- Internal painted steel/eco-leather panel
- LED lighting.. Blue or Natural White
- Thermoelectric refrigeration system
- Automatic defrost
- Ventilated refrigeration
- Anti-vibration system
- Temperature +12°/+18°C
- Capacity: 5 bottles 0.75 liters + 2 glasses
- Bottle: H 328 Ø 90
- Dimensions mm. 780x780x155h

It is also possible to compose the product by choosing between these variants

STRUCTURE COLOR:

- **Liquid painting:** Matt black RAL 9005;
