Services and Technologies for professional catering since 1973

PROFESSIONAL DESCRIPTION

UGOLINI - TABLE SLUSH MACHINE with 2 TANKS of 2.8 litres, for the production of granitas, sorbets, cold creams, ICON Line:

The brand new **ICON** with its eclectic character and elegant style is designed to accommodate your graphics in a natural and harmonious way, thus creating a **unique product** that will stand out, giving even more strength to your brand and your business. In the version with Recover, the **ICON** can be enriched with a graphic panel which will make the container partially "no-visual". The unique and modern style combined with its **extremely small dimensions** make it possible to fit into any environment.

Excellent for the preparation of cold creams, sorbets and granitas, it is designed with two **2.8 liter containers** which allows you to **manage small quantities of product avoiding unnecessary waste.**

- **2 copolyester tanks** (BPA - Free), with a capacity of **5.6 litres**
- **Painted steel** bodywork
- Hermetic compressor
- Air-cooled condenser
- **Electronic temperature control**
- Recovery Energy system, for **energy saving and anti-condensation**
- Motor saver
- Air filter
- Noise level less than 70 dB (A)
- **Removable transparent containers**
- Ecological **GAS R134a**
- Available voltages: 230V 50Hz | 115V 60Hz | 208-220V 60Hz | 100V 50/60Hz

Optional:

- Graphics for no visual version (quotation on request)
- Advertising banner
- In Black Color Upon request
