GI-2550AF	Perforated aluminum board for pizza by the metre, Blue Line, dim. 25x50cm	€ 65,09 <i>VAT excluded</i> Shipping to be calculated Delivery from 4 to 9 days

PROFESSIONAL DESCRIPTION

PERFORATED ALUMINUM BOARD for PIZZA BY THE METER, AZURRA line, dim.cm 25x50 :

- **Ideal for managing pizza by the metre/by the shovel .**
- **Material: Neutral anodized aluminium .**
- **Handle on one side, with milling on the front** , to facilitate picking up and releasing the pizza into the oven.
- Unlike traditional wooden planks, **the use of aluminum makes the product light, solid, long-lasting, hygienic and easy to clean .**
- **In the perforated version the axis has holes on the entire surface , specially designed to provide low friction and discharge the flour** , preventing it from sticking to the bottom of the pizza, risking burning.
- **Advantages: light, smooth, easy to clean, more hygienic than wood, with the same tool it is possible to bake, rotate and take the pizza out of the oven, front milling, available in 6 different sizes .**
