PROFESSIONAL DESCRIPTION

BLENDER-BLENDER, HAMILTON BEACH brand, with 1.4 liter copolyester glass , HIGH PERFORMANCE version :

- **The powerful 1.6 HP motor combined with the Wave-Action ® glass and stainless steel blade split ice quickly ;**
- With a motor designed to power fresh and frozen ingredients to create smooth drinks and a large canister built to quickly crush ice, Rio® reduces prep time. **Each jar features the Wave-Action® system , which continuously forces the mixture down into the blades for ultra-smooth results ;**
- **1.4L shatter-resistant BPA-free copolyester jar ;**
- **The patented Wave ~ Action ® system** in the Rio® blender will deliver a smoother margarita;
- **The sensors on the lid and on the base of the glass , if not well positioned, prevent the blender from turning on,** guaranteeing maximum safety;
- **Simple use with HIGH, LOW, PULSE functions .**
- **Two speeds plus pulse provide greater versatility .** Perfect for a variety of cocktail and bar applications;
- Resistant and easy to use, **the switches with gasket guarantee a long life ;**
- Perfect for preparing varieties of different cocktails;
- **Opening sensor** prevents the leakage of liquids by stopping the engine;
- **Optimized performance with high-performance blade , Durable stainless steel design quickly cuts through ice** and other ingredients. Easy 1/4 turn nut makes blade maintenance easy to do, extending the life of your pot.
- **Open lid and jar pad sensor prevents mixing if the jar or lid is not positioned correctly** for an added level of operator safety.
- **Durable, sealed switches with simple controls :** Rio® includes sealed switches that protect against moisture ingress and a protective forehead to direct drips away from the controls.
- **Durable Metal Drive Coupling:** Provides ample power and torque to the blade. The unit also features a removable jar pad for easy cleaning.
- **Sure Grip feet ,** which allow you to keep the blender firmly on your counter, preventing slipping;
- Ergonomic handle;
- 2 year warranty.

Potente motore da 1.6 HP e Wave ~ Action® System

Prestazioni ottimizzate con lama ad alte prestazioni

Coperchio aperto e sensore del cuscinetto del vaso

Interruttori resistenti e sigillati con controlli semplici

Accoppiamento durevole dell'azionamento del metallo

Hamilton Beach
COMMERCIAL

WAVE-ACTION SYSTEM

Porta continuamente tutto al centro delle lame per un risultato omogeneo

Sensore di apertura
Impedisce la fuoriuscita di liquidi fermando il motore

Tripla guarnizione

Connessione in metallo
Offre ampia potenza e coppia alla lama

Performance ottimizzate
Il bicchiere con sezione quadrata ospita più ingredienti, riducendo il tempo di preparazione grazie alla lama monopezzo

Impugnatura ergonomica

BPA FREE, contenitore in copoliestere

Forma protettiva
Protegge i pulsanti dalla fuoriuscita di liquido

Pulsanti sigillati
Maggior vita e facilità d'uso

Led posizionamento bicchiere e coperchio
I sensori su coperchio e bicchiere impediscono l'accensione se non sono nella posizione corretta

Piedini Sure Grip™
Impediscono lo slittamento

Motore 1.6 HP
Conferisce ad ingredienti freschi e congelati una consistenza omogenea per ottime bevande
